## HAPPY MARCH

Hope everyone's March is going well so far. I know a few of us have spring breaks coming up whether it's your spring break or your kids spring break I hope you have a little time to relax and enjoy your break.

## TAXES ARE JUST AROUND THE CORNER

A friendly reminder that Taxes are due on April 18<sup>th</sup> this year. I know that this seems far from now but trust me these days seem to be moving very fast. And to everyone who has already completed your taxes way to be ahead of the game.

## THE COUNCIL IS GROWING

I'm very excited to share that we now have three members of the youth action council. That doesn't mean my team is full I'm still looking for more members. Please join us in this movement to help youths with disabilities.
