AN ACT relating to aging and disability services; revising the qualifications of the members of the Nevada Commission on Aging; requiring certain updates to the strategic plan for persons with disabilities as the Aging and Disability Services Division of the Department of Health and Human Services determines to be necessary; revising the duties of the Nevada Commission on Services for Persons with Disabilities; revising certain titles; revising a certain plan for the provision of services to persons who are deaf, hard of hearing or speech impaired; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law: (1) creates the Nevada Commission on Aging within the Aging and Disability Services Division of the Department of Health and Human Services; (2) requires the membership of the Commission to include two members of the governing body of a county and two members of the governing body of a city; and (3) requires the Commission to perform certain duties relating to the needs of and programs for aging persons. (NRS 427A.032, 427A.038) **Section 1** of this bill authorizes the Governor to appoint any officer or employee of a county or city government, as applicable, to those positions on the Commission.

Assembly Bill No. 513 of the 2001 Legislative Session appropriated money to the Department of Human Resources (now the Department of Health and Human Services) to develop a plan to: (1) ensure the availability of services for persons

12 with disabilities; (2) support the ability of persons with disabilities to lead
13 independent lives; (3) continue efforts to provide community-based services to
14 persons with disabilities; and (4) ensure persons with disabilities receive the
15 services they are entitled to pursuant to state or federal law. (Chapter 541, Statutes
16 of Nevada 2001, at page 2705) Existing law requires the Division to report the
17 progress of carrying out the plan and authorizes the Nevada Commission on
18 Services for Persons with Disabilities to carry out the plan. (NRS 427A.040,
19 427A.1217) **Section 2** of this bill requires the Division, as it determines necessary,
20 to update the parts of this plan applicable to the Division. **Sections 2 and 3** of this
21 bill update references to the plan.

22 Existing federal law requires: (1) each state to establish a Statewide
23 Independent Living Council consisting of persons with disabilities, providers of
24 services to such persons and other related persons; and (2) the chairperson of the
25 Council and directors of centers for independent living to jointly develop a state
26 plan for independent living, which must include various provisions to promote
27 independent living for persons with disabilities. (29 U.S.C. §§ 796c, 796d) Existing
28 law requires the Nevada Commission on Services for Persons with Disabilities to
29 seek ways to avoid unnecessary duplication of services to persons with disabilities
30 and establish priorities for the Division based on the needs of persons with
31 disabilities. (NRS 427A.1217) **Section 3** of this bill requires the Commission to: (1)
32 coordinate with the Statewide Independent Living Council to seek ways to avoid
33 unnecessary duplication of services; and (2) establish priorities for the Division in
34 conjunction with the state plan for independent living.

35 Existing law establishes: (1) the Office of the Community Advocate for Elder
36 Rights within the Division; and (2) the position of Community Advocate for Elder
37 Rights to perform the functions of the Office, which include advocating for issues
38 relating to aging persons and certain other duties to assist such persons. (NRS
39 427A.300, 427A.310) **Sections 4 and 5** of this bill shorten the name of the Office
40 and the title of the Community Advocate.

41 Existing law creates the Nevada Commission for Persons Who Are Deaf and
42 Hard of Hearing and prescribes various powers and duties of the Commission
43 relating to services and programs for persons who are deaf, hard of hearing or
44 speech impaired. Existing law authorizes the Commission to create and annually
45 review a 5-year strategic plan consisting of short-term and long-term goals for
46 services provided by or on behalf of the Division. (NRS 427A.750) **Section 6** of
47 this bill abolishes that 5-year strategic plan and instead authorizes the Commission
48 to develop a statewide plan to provide services to persons who are deaf, hard of
49 hearing or speech impaired.
